

## United Engine Last

United Engine Last SAE 10w-30 is designed for high-mileage engines with more than 75,000 miles. This formulation is a unique blend of base oils and additives addressing typical concerns of higher mileage engines, under all operating conditions.

It offers energy-conserving properties for improved fuel economy, as well as protection against many of the common problems associated with high-mileage engines. It provides excellent wear protection, minimizes sludge formation in engines, guards against varnish and deposits, and prevents high viscosity and thermal breakdown even under severe service conditions.

United Engine Last helps your high-mileage engine be a low-stress engine.

### **Beneficial Features:**

Benefits of this oil include:

- 💧 **Reduced oil consumption**
- 💧 **Conditioning of seals** to help prevent leakage
- 💧 **Excellent oil film strength**, to protect worn engine parts
- 💧 **Increased cylinder compression**
- 💧 **Detergency combined with dispersants**, to control engine deposits

### **Application Specifications:**

Engine Last 10w-30 is an all-season multi-grade oil intended for gasoline-fueled passenger cars, vans, light trucks and sport utility vehicles with high miles. It may be used in vehicles requiring API performance SL, SJ, SH, SG and SF.

### **Product Containers Available:**

Bulk  
55 Gallons  
30 Gallons  
5 Gallon Pails

### **Typical Physical Specifications:**

<u>CODE</u>	<u>1560</u>
<u>GRADE</u>	<u>10w-30</u>
API Grav.	31.0
Flash Pt. °F	420
Pour Pt. °	-30
Viscosity:	
cSt at 40° C	12.2
cSt at 100° C	80.0
SUS @ 100 °F	68
SUS @ 210 °F	410
Viscosity Index	150
Cold Crank Viscosity	<3500 @ -20° C
